D.O.letter No.A3.P.R.912/54-55 dated 10th January 1955 from the Chairman, City Improvement Trust Board, Bangalore, to the Commissioner, Corporation of the City of Bangalore, Bangalore.

Subject:- Handing over of Kumarapark (West) Extension.

I write to inform you that the formation of all roads in the Kumarapark (West) Extension to the North of 3rd Cross Road up to Salem Bellary Road, have been completed as per the sanctioned standard specifications and are to be taken over for maintenance. They were completed about 2 to 2½ years back and are being used by the Public since then. Unless maintenance works are done regularly the roads will deteriorate very badly. The whole area is fast developing and houses have come up on many of the sites. It is necessary to provide street lights in the locality and to employ the necessary lavatory staff to attend to the general cleanliness of the place.

With a view to afford all these facilities it is necessary that the Corporation should take over the whole area under its control The general touching up of the roads and tidying is being done now and it is proposed to hand over the roads to the Corporation on the 15th instant. Beyond that it will not be possible for the Board to do any maintenance work as there is no provision for such works.

I request you, therefore, to kindly arrange to take over - - control of these roads on that date.
